Pollinators:
Butterflies, Bees and Bugs

Wednesday, July 3, 2019
10am-12 noon
Burt's Greenhouses, 539 Maple Road, Wilton

You are invited to a free, casual outing led by expert **Kurt Hennige** of Kingston Field Naturalists to learn everything you ever wanted to know about pollinators in our area. In addition to visiting the greenhouses, we can also hike on Burt's property so wear comfortable (waterproof) shoes and bring your own snacks/water. Special thanks to Brian and Ruth Burt for opening their property to us.
